OES/C/2

The Secretariat of the United Nations presents its compliments to its member States and has the honour to refer to senior-level job openings (listed below) at the United Nations Economic and Social Commission for Asia and the Pacific (ESCAP), now posted on the United Nations Careers Portal (careers.un.org).

1. **Director, Macroeconomic Policy and Financing for Development Division, D1**
(Application deadline: 30 April 2016)
Among other attributes, the ideal candidate will have:
- A minimum of 15 years of experience in policy-oriented research, formulation and advice in areas related to macroeconomic and financing for development issues, macro-econometric modelling and/or policy simulation or related areas;
- A strong publications record on macroeconomics, policy model simulation, least developed countries and/or development financing in peer reviewed journals;
- Relevant work experience in the Asia-Pacific region;
- An advanced university degree (Master's degree or equivalent) in economics, econometrics, financing for development, or related area (Ph.D. in the mentioned areas is desirable).

2. **Director, Energy Division, D1**
(Application deadline: 30 April 2016)
Among other attributes, the ideal candidate will have:
- A minimum of 15 years of progressively responsible experience in the field of energy related to energy security, energy efficiency, renewable energy, access to energy services, energy economics, gender and energy, trans-boundary power trade, energy trade (coal, oil and gas), advanced energy technologies or related field;
- Experience in research and analysis in the above fields as demonstrated through authored publications;
- Experience in managing regional development related programmes in energy;
- An advanced university degree (Master's degree or equivalent) in energy, engineering, sustainable development, economics, development, business or public administration, finance, law, political science, social sciences or related area. (Ph.D. degree in any of the above fields is desirable).

Complete information about the responsibilities and the requirements for these positions are available at <careers.un.org> or at <www.unescap.org/jobs>.

The Secretariat requests the assistance of member States in widely circulating this information and encouraging qualified candidates, particularly women, to apply through the Inspira system, and further expresses its appreciation to its member States for their interest in efforts to identify the best qualified candidates for these senior-level posts.

The Secretariat avails itself of the opportunity to renew to its member States the assurances of its highest consideration.
